Thank you for making a child's spirit bright this Christmas

Dear David,

On behalf of Barnardos, I would like to take this opportunity to thank you for your continued support to help transform the lives of some of Ireland's most disadvantaged children and to acknowledge your very generous donation of **€3,000** from Ward Personnel. Your life changing gift will go a long way toward improving our services for the thousands of vulnerable children and families we are working with to give them a better Christmas and a brighter New Year.

Every day in Barnardos, we see children who suffer from the effects of disadvantage and poverty. We also see children who are living through the nightmare of family life ruined by domestic violence or abuse. Childhood is a unique time - what you learn and the experiences you have shape you for the rest of your life and here in Barnardos we believe that every child deserves the best start in life. Your support ensures that children impacted by poverty and disadvantage do not lose out on the opportunity to learn, to be safe, to have fun and to have a chance at a better future.

Ward Personnel's donation to Barnardos will make a genuine impact on the lives of many children across the country. Thank you for giving hope to those who need it most and helping them on their way to a better, brighter future.

Yours sincerely,

Aisling Andrews
