Dear David

On behalf of Barnardos, I would like to take this opportunity to **THANK YOU** for the very generous donation of **€2,500** to Barnardos in lieu of Christmas gifts to your clients this year. Your donation will go toward helping and caring for some of the most vulnerable children in Ireland and will be put to use immediately, bringing warmth and hope into the lives of these children and their families.

Barnardos centres, as always, will have their doors open in the lead up to Christmas to the families we work with. Many a cracker will be pulled and Santa will most certainly attend every Christmas party we hold for the children who attend the services.

For some of the families we work with, in times of great uncertainty, this will be their only festive moment and you have helped us bring this to them! Thanks to your unwavering support and trust, together we can reach out to the ones that need us most at Christmas and all year round.

Thank you again for your most generous support.

On behalf of all of us here at Barnardos, we wish all at Ward Personnel a peaceful Christmas and only the very best for the New Year.

Yours sincerely,

Kristiina Veski
