Dear David,

On behalf of Barnardos I would like to take this opportunity to thank you for the very generous donation of **€2,000.00** towards Barnardos work with vulnerable children in Ireland, being a donation in lieu of Christmas gifts to your customers this year.

Because of your heart-warming generosity, this donation will be put to use immediately, helping us support the thousands of children and families who rely on us, especially at this time of year.

For many, Christmas brings up happy memories – the smell of the pine from the Christmas tree, the warmth in the kitchen as dinner cooks, and happiness at the table as families pull crackers and laugh at bad jokes.

But for some of the children we work with, it's the opposite. These children and their parents are facing extreme hardships every day – and we see first-hand the extra burden that they are under at Christmas time. But it's also an incredibly positive and uplifting time too.

There are the Barnardos Christmas parties we run for all the children in our projects. There's a celebration of the many milestones reached by the children and their families during the year and then of course, there's the unwavering kindness of people like you.

While we have your support, there will always be hope for vulnerable children all over Ireland.

Thank you again for your continued support, and wishing you and all of your staff a Happy Christmas and a peaceful New Year.

Yours sincerely
