Donation to Barnardos

Dear David,

On behalf of Barnardos I would like to take this opportunity to thank you for your continued support of our work and for the very **generous donation this year of €1,500 from Ward Personnel**. Your kind gift will go a long way toward supporting the vulnerable children and families we are working with across the country helping to give them a better Christmas and a brighter 2016.

Every day in Barnardos we see children who suffer from the effects of poverty, neglect and disadvantage, and children who are living through the nightmare of family life ruined by domestic violence, or abuse. But it is support from people like you that keep us going. Not just because every donation we receive really counts, but also because it's so good to know there are others out there who care as much as we do about children's welfare.

Your donation to Barnardos will make a genuine impact on the life of a child in Ireland and helps Barnardos in our goal to transform children's lives. You are giving hope to children who need it most and helping them on their way to a better, brighter future.

Thank you again for your support.

Wishing you and the team at Ward Personnel a Happy Christmas and a Prosperous New Year.

Yours sincerely,

Fergus Finlay
