**Donation to Barnardos**

Dear David,

On behalf of the children and families we work with, my colleagues and I would like to take this opportunity to thank you and everyone at Ward Personnel for your generous donation of **€4,000.00**. Through your ongoing support of the work we do, it ensures we can continue helping those most at risk and most vulnerable.

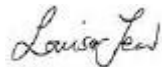

Last year alone we worked with almost 18,000 children and families helping them to build resilience and to live with hope for their future.

As we approach the Christmas season, the children and families that Barnardos works with are facing struggles most of us can't even imagine. Every day in Barnardos we see children who suffer from the effects of a traumatic childhood due to poverty, neglect, social disadvantage, and children who are living through the nightmare of family life ruined by domestic violence, or abuse and Christmas time is no different for them.

However support from companies like you keep Barnardos services going so that we can make a difference to a child's life this Christmas.

Your donation to Barnardos will make a genuine impact on the life of a child in Ireland and helps Barnardos in our mission to transform children's lives through our services and by partnering with families. You are giving hope this Christmas to children who need it most and helping them on their way to a better, brighter new year for 2020.

Thank you again for your support of our vital work.
