Dear Dave,

I am writing to thank you very much for your donation and support in this year's Shine Ball. The ball was a great success and wouldn't have been possible without the support we received.

At Shine we provide services and programmes to children and adolescents with autism and their families across Cork city and county. Your donation will help us to continue to provide these vital services and supports. All of our services are provided free of charge to our children and families and this is why we value your support so much and why it is so important to us.

When we ask people to help Shine, we ask them to "Brighten the future for a child with autism" and through your generosity you have done just that.

Thank you again for your kindness and support.

Yours sincerely,
