Dear David,

Thank you, and all at **Ward Personnel**, for caring about the most vulnerable people in Cork, and thank you for your generous gift of **€1,000.00**. Please extend my most sincere thanks to your colleagues and customers for their generosity this Christmas.

With your help, someone who is homeless may finally get the support they so desperately need to put a life of homelessness behind them.

On behalf of all of us here at Cork Simon, thank you again for showing you care about people who are homeless here in Cork.

With our deepest thanks and best wishes for Christmas,

Jeppe Rasmussen  
Partnerships Manager
